

Transforming
people's lives
for 25 years

1998

All-on-4® treatment concept journey begins

Dr. Paulo Malo treats the first patient documented in a clinical study of the All-on-4® treatment concept¹

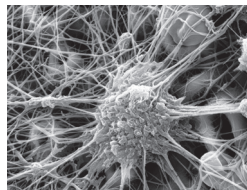

2000

Multi-unit Abutment — A first for the industry. Since then it has been accepted as an industry standard and many have tried to copy its innovative design.

2000

Implants with TiUnite® surface show high stability levels during the healing phase, allowing for Immediate Function even under demanding conditions, such as fresh extraction sockets.

2004

Launch of Brånemark System® Zygoma TiUnite.

2004

Nobel Biocare officially registers the All-on-4® treatment concept.

2005

"Immediate Function" receives FDA approval, unique to Nobel Biocare.

2005

Time-efficient NobelSpeedy® launches, offering bicortical anchorage and high initial stability also in soft bone.

2005

NobelGuide® is a comprehensive system for 3D treatment planning and guided surgery.

FD

2009

NobelProcera® System revolutionizes dental CAD/CAM with new products like implant bars.

function"
A clearance,
Nobel Biocare.

DA

2007

NobelProcera® Zirconia Implant Bridge available in full-arch.

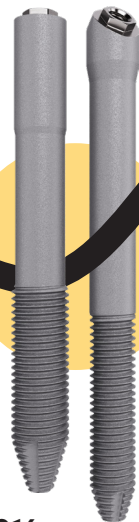

2015

NobelGuide® Pilot Drilling for full-arch restorations: Sets the preplanned drilling trajectory and depth, while still enabling clinicians to finish surgery using freehand techniques.

2016

Multi-unit Abutment Plus with snap-on functionality saves chair and lab time by simplifying the temporization workflow

2016

NobelZygoma™ 45° and 0° Multi-cortical anchorage and the proven apex design allow for high primary stability.

2018

Launch of X-Guide® dynamic navigation system, which provides the full surgical flexibility of guided surgery without the need for surgical templates.

2019

Beginning of the Mucointegration™ era: excellent marginal bone response and healthy soft tissue (for AO4) with Xeal™ and TiUltra™ surfaces.

2023

X-Guide® with FastMap™. The only system that combines fast, accurate, minimally invasive implant placement with conversion-free dentistry from single to full-arch.

2021

Nobel Biocare implemented the Center of Excellence program, to reward the clinics that are doing All-on-4® with genuine components.
